Since the fifth anniversary marks a milestone in the history of S.G.H.S. and is a good time to reflect upon the achievements of our school, we have chosen as the theme of the 1960 **El Camino Real** — REFLECTIONS.

Dedication

A student body is the reflection of those who guide it. The San Gabriel High School student body is considered to be one of the finest in this area. We have been guided wisely and well by the faculty and administrators. One whose guidance and counsel have been of great value to the student body of S.G.H.S. is our Girls' Vice Principal, Miss Helen Hanson, to whom we respectfully dedicate the 1960 **El Camino Real**.

Hi! I haven't seen you in a long time. You're really
a good guy & a lot of fun. Have fun this summer & be
good. Have a blast at P.C.
Take care of yourself,
Donna

The high scholastic standing of San Gabriel High School reflects the excellence of the administration and faculty. The efficient guidance of our administration has contributed much to the success of the past five years. Also contributing to the progress of S.G.H.S. was the capable faculty, whose fine instruction was of great benefit to the students.

Historians will record the year 1959-60 as the fifth anniversary of San Gabriel High School. Students, teachers, and parents can look with pride at the progress made by our school in this short time. We are proud of the academic record of our students. We are equally proud of what our school has accomplished in other areas such as athletics, drama, music, debate, and student body government. Perhaps our greatest success has been in establishing a "School Spirit" that is evidenced to anyone who attends an activity or visits our school. Congratulations to the students, teachers, and parents who have made our school what it is today.

Business

The Business Education Department at San Gabriel High School offers vocational training to students who plan to go into jobs at the end of high school.

Basic business courses for personal use are offered to those who wish limited business training for personal use or for temporary employment during college.

The Business Education Department is equipped with up-to-date business machines and is staffed with a fine group of well-qualified business education teachers.

English

Reading . . . writing . . . spelling and vocabulary! How familiar these words may seem to fifteen hundred students who take required English for three years. There are over two hundred seniors taking English 7 and 8, elective courses to give college preparatory students special help in advanced composition and literature. It is important to learn to organize thoughts coherently and logically on paper, so students write themes and study spelling and vocabulary words every week.

The students have the opportunity to read some of the world's great literature.

Homemaking

The Homemaking Department provides courses in the following areas:

1. Clothing selection, construction, and use for the individual and the family.
2. Food: selection, preparation, service, buying and storage.
3. Housing: selection, arrangement, and utilization of home equipment and furnishings, managerial aspects of homemaking.
4. Home and family relationships.
5. Child care and guidance.
6. Home nursing: healthy family living.

Methods similar to those used in colleges are employed in Chemistry, Physiology and Physics. The required Health and Safety course gives students a general understanding of health and physiology. They also are given practical work in first aid, and driver education. Some courses, such as Photography, General Science and Biology, may be taken by any student. In all courses, quality of work is stressed.

knowing you all these
years. Best of luck always

do.
Love,
Jay

Now, at the end of our high school days, we seniors have much to reflect upon. We remember our red senior sacks, the senior play, "Teahouse of the August Moon," the prom, the senior car wash, and graduation. Being the first graduating class to have a senior court, we established a new tradition at San Gabriel. The members of the class of 1960 will always have pleasant memories of their work and fun at San Gabriel High School.

Student Co-director

Colonel Purdy explains Plan B to Captain Fisby and Sakini.

For two nights in March, San Gabriel High School became Japanese. No one who attended the 1960 Senior Class Play, **Teahouse of the August Moon**, will soon forget it. The actors and those behind the scenes have the satisfaction of knowing that a record number of people attended the performances. Although it was well known that the interpreter, Sakini, was really John Betinis, many had to check their programs again when he shuffled onto the stage. The American officers, Colonel Purdy (Steve Koch), Captain Fisby (Dennis Hoff), Sergeant Gregovich (Mike Imhoff), and Captain McLean (Bruce Quillen), were a humorous contrast to the relatively easy-going Tobiki villagers. Linda Levering and Terree Hammontree as Lotus Blossom, and Melinda Smith and Carolyn Bradley as Miss Higa Jiga also gave most outstanding performances. Only the cast, production directors and crews will ever know just how much work went on behind the scenes, but the production which was presented was one of which we all can be very proud.

The cast takes their well-deserved bows after a successful show.

Lotus Blossom performs in the tea house under an August moon.

Play BOYS *Hank Pezquid*

Miss Higa Jiga and Lotus Blossom.

Captain Fisby had quite a bit of difficulty in departing for Tobiki.

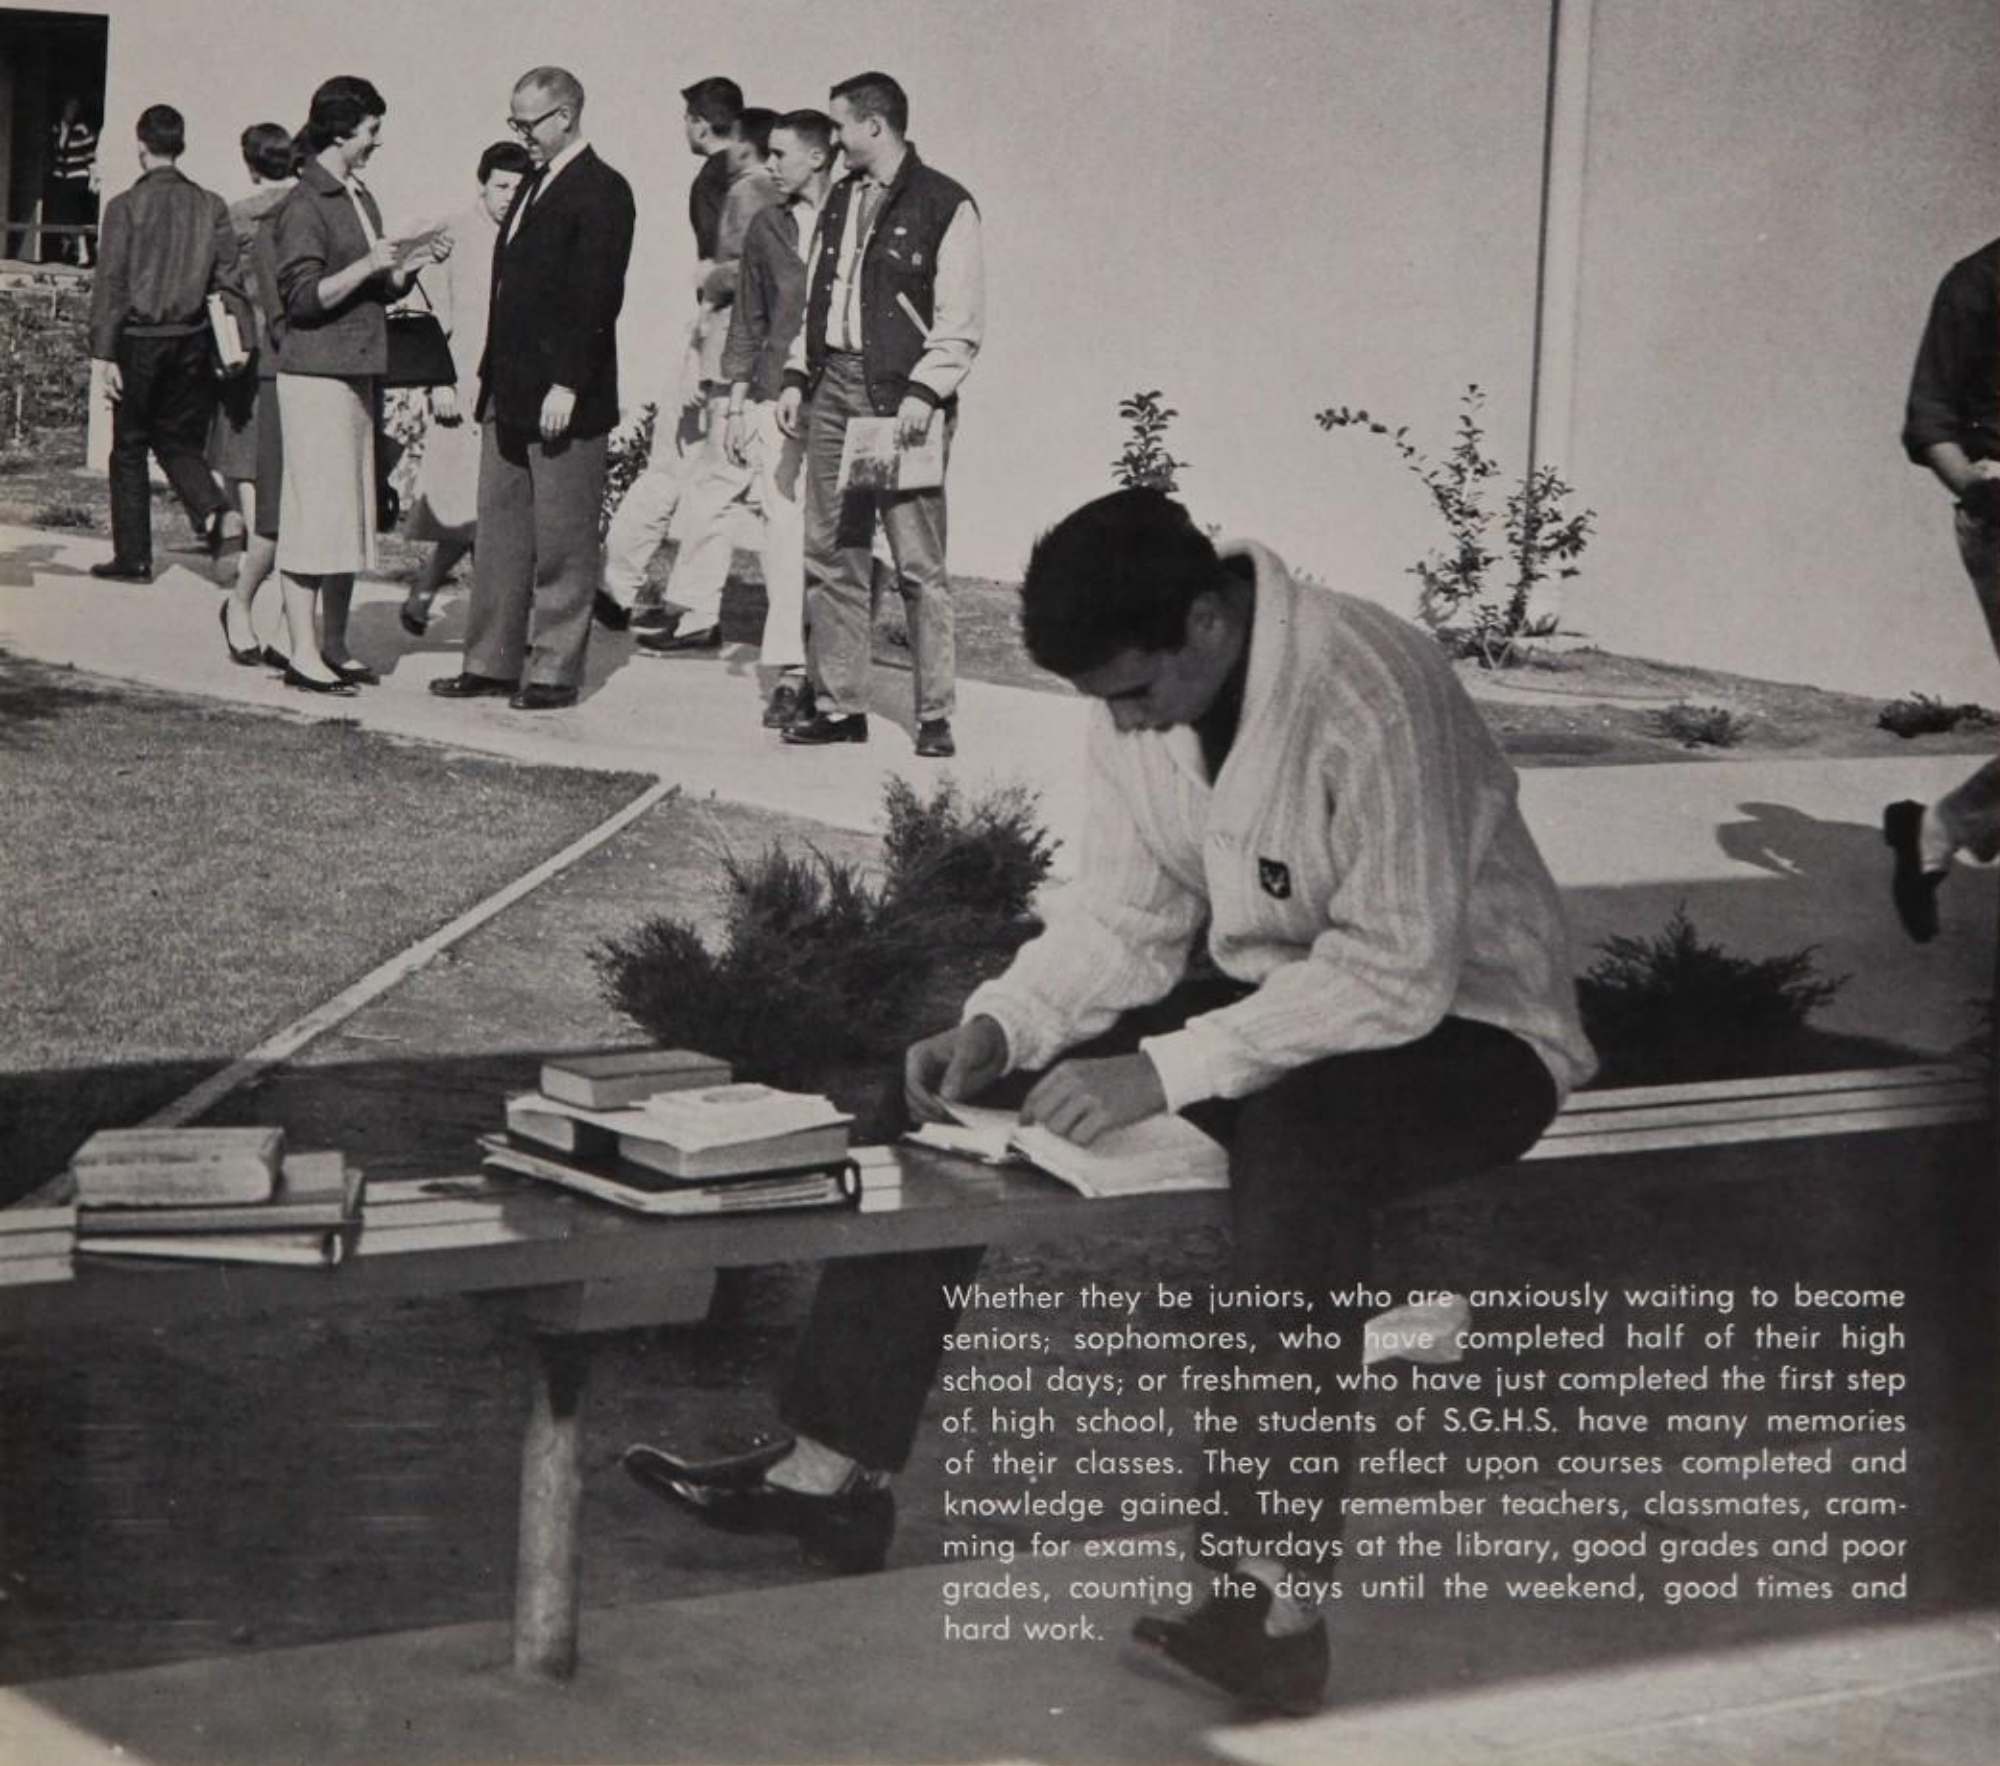

"Sakini by name, interpreter by profession,
Okinawan by whim of gods."

Classes

Buzz,
I sure have been
great being friends with
you. I wish you the very
best of luck in the future, because
you really deserve it. Have a blast
this summer.
Sharon Callahan

Whether they be juniors, who are anxiously waiting to become seniors; sophomores, who have completed half of their high school days; or freshmen, who have just completed the first step of high school, the students of S.G.H.S. have many memories of their classes. They can reflect upon courses completed and knowledge gained. They remember teachers, classmates, cramming for exams, Saturdays at the library, good grades and poor grades, counting the days until the weekend, good times and hard work.

Student Administration

Our school administrators encourage the administration of student body activities by the students themselves. This policy is the reflection of the faith and confidence that educators have in the democratic way of life and in the students. We must learn the principles of self-government now so that we will be prepared to carry them out in the future when the responsibilities of maintaining democracy are ours.

Clubs reflect the desire of students to join with others who have common interests or goals. At S.G.H.S. there are three types of clubs — honorary, service and academic. Students who have met certain requirements may join honorary clubs. Service clubs have undertaken many worthwhile projects which have helped the community. Members of academic clubs have increased their knowledge in their interest fields by taking field trips, attending lectures, inviting experts to their meetings, and viewing special films. All types of clubs have contributed to the development of S.G.H.S.

Activities

School is more than conjugations, equations, and formulas. Dances, football games, speech and musical activities, and drama presentations all contribute to a full and varied school life. These activities reflect the self expression of the students in either individual or group projects. Both types of activities are necessary if one is to be successful in school and later life.

American Field Service

Three years ago the American Field Service program was initiated at San Gabriel High School. Since that time we have been privileged to share in the lives of students who come to San Gabriel from foreign lands and in the experiences of our own students who travel abroad. We have been helping to carry out the purposes of the AFS — the promotion of understanding and friendship among the peoples of the world.

The history of the AFS is surprising and unique because the original program was so different from the one today. It was founded in 1915 as a volunteer ambulance service with the French Armies in World War I. After again serving in the same capacity in World War II, the AFS was converted to a peace-time program sponsoring the exchange of students between the United States and other countries over the globe. Participating countries now number more than forty.

Ole Stig Anderson, from Denmark, and Susan Perring, from England, were the first AFS students at San Gabriel in 1957. During the summer of 1958, S.G.H.S. was represented in Germany by Linda Jacquot and in Finland by Bill Rice. John Hedde, from France, and Ita Najman, from Brazil, attended S.G.H.S. in 1959. Last summer Judy Knapp went to Norway. This past school year we had two students from Greece — George Alicakis from Athens and Martha Spyridacou from Rhodes.

Each year at S.G.H.S. we have given an AFS variety show, whose proceeds go toward the bringing of foreign students here and the sending of San Gabriel students abroad during the next year. It is hoped that this worthwhile program will continue to be a part of our high school.

Each year the music department's Christmas gift to the school and community is the Christmas program. Carols of many nations, old favorites, and massed singing make up the inspiration of this program.

Campus Serenade

The dancing adds to the scene.

A quiet scene from the play.

One of our high school's most popular traditions is the Campus Serenade. The first half contains a variety of musical presentations, including an appearance of the massed chorus of 325 voices made up of all glee clubs and the Choir. The second half features the A Cappella Choir in scenes from a musical comedy — this year "Annie Get Your Gun." In past years the Choir has presented "Carousel," "South Pacific," and "Kismet."

Sports

As we reflect upon the fall and spring sport's seasons, we remember that our football teams showed great improvement, on several occasions losing by a very narrow margin. Our championship "Bees" deserve special credit for their unprecedented number of successive victories. Basketball season found us hindered by a lack of experience. However, our teams showed great spirit and enthusiasm.

With spring came baseball and the largest turnout for that sport in the history of the school. Our tennis and track teams were the teams to beat in the Sierra League, and our gymnastics team fought hard to maintain its excellent reputation.

The sport's season, as a whole, has been a success for San Gabriel High School, and with the tremendous enthusiasm shown by all, promises to be the forerunner of even more successful seasons.

High - Lights

The San Gabriel Matadors kicked off the Sierra League schedule with a 14-13 win over Glendora by coming from behind twice before notching the victory. In the second quarter Glendora scored and converted for a 7-0 lead. San Gabriel bounced back after the kick-off on the 46-yard line, the Matadors marched 54 yards in eleven plays. Bob Blindbury ran the last five yards to pay-dirt, the conversion was good and the half ended 7-7. The Tartans received the kick-off and rambled seventy yards for the touchdown. The conversion was not good. The Matadors worked their way to the one-yard line for a second time that evening by a spectacular fourteen-yard run by Bob Blindbury to the one and Roy took it across. The score being tied 13-13, the Matadors decided to run for the P.A.T. Fraser ploughed through the line for the game-winning point. For his fine work as a guard, Lynn Edwin was voted Matador of the Week.

The Matadors, who scored in every quarter, racked up their biggest victory in two years against the Azusa Aztecs 27-0. In the second quarter Rich Wolfe ran 29 yards to Azusa's 16 yard line where Bob Blindbury ran all the way to score. Matador guard Bill Fisk intercepted an Aztec pass to set up the third Matador touchdown. After Roy Fraser galloped 19 yards to the twenty-five, Barry Leventhal ran, on a reverse, the remaining yardage for the touchdown. Fraser converted and the score was 20-0. In the last quarter, end John Blom took a thirty-five yard pass from Blindbury in the end-zone. Rich Gilbert converted and the score remained 27-0. Barry Leventhal, who filled the wingback slot, looked sharp, as he consistently ploughed through for yardage. Blocking back Rick Wolfe did a fine job in leading the interference, but nothing can be taken away from the fine play of linemen Fisk, Bernal, Edwin, Wynman, Valencia, Goodes, Snickles, Hoffman, and Blom. Because of his tremendous game, Barry Leventhal was voted Matador of the Week.

The Matadors were handed their first league defeat by the Sierra Spartans. In the second quarter the Spartans scored and converted. Early in the third quarter the Matadors bounced back as they marched 69 yards in thirteen plays. Roy Fraser plunged in from the two and scored but failed to convert as his kick was off to the left. This left the Spartans leading at halftime, 7-6. Sierra added the final score in the third quarter. For the second time this football season Roy Fraser was voted Matador of the Week.

Matador hopes of the league crown were crushed when the Rosemead Panthers clipped San Gabriel 14-7. The Panthers had to rally from behind to knock off the Matadors in a thriller. The Matadors opened the scoring in the second period. The San Gabriel eleven marched 88 yards in ten plays for a tally. End John Blom scored on a 25 yard jaunt after taking a handoff on a double reverse. Fraser then kicked the conversion and the Matadors led 7-0. Rosemead scored in the same period and the half ended with a 7-7 tie. Late in the fourth quarter Rosemead intercepted a Matador pass which set up the winning touchdown. The Matadors met the unbeaten Arroyo Knights and lost by a touchdown in the final minutes of play. In the first and second quarters Arroyo made two touchdowns for a 12-0 score. In the second quarter San Gabriel cut loose for one of the greatest plays of the Valley prep football season. Fading behind fine protection, Blindbury orbited a pass 50 yards through the air. Fraser, battling to retain his balance, snared the ball and rocked under the ball and was moving in full stride when two Arroyo defenders slammed into him in pursuit of the ball. The pigskin caromed into the air and as both defenders fell to the ground, Fraser, battling to retain his balance, snared the ball and rocketed the final 25 yards into the end zone untouched. In the third stanza, the Matadors moved 25 yards for the tying touchdown. Fraser then plowed over for the extra point and the score was 13-12. With one minute left the Knights pushed the ball over and converted, clinching the game fans from both sides will long remember.

"Mighty Bees"

Bill Futa
Co-Captain

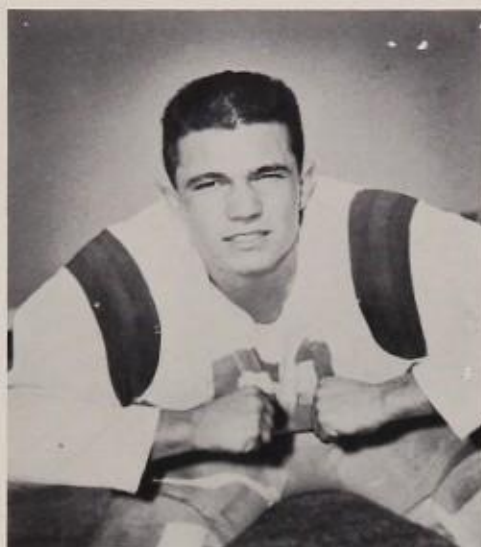

The San Gabriel High School Bees have certainly achieved their nickname, the "Mighty Bees". The capture of the 1959 Sierra League Championship made it the third consecutive year that the Bees have stolen the crown. In addition to their Sierra League Championship, they beat Glendale; consequently they won the C.I.F. Championship. With the close of the 1959 football season the Bees have had twenty-six wins. It is quite evident, therefore, that the Bees deserve this special recognition.

H. Trent

Buzz -

It's all over now. There are so many things that I will miss. I hope I can see you again after graduation. I would like to take this opportunity to thank you for all the wonderful memories you have given to me. It was really a pleasure to go out with you Buzz. I'm sorry we had that little misunderstanding - but everything came out fine - I should say - it all seems to be fine.

As the last pages of the 1960 **El Camino Real** go to press, I would like to say thank you to: Mr. Buffum for his advice and patience; Miss David, Mr. Neal, and Mr. Dawson for their advice and help; Marie for her outstanding work as photography editor; Donna for her hard work on all the club pictures and the snap pages; Barbara for her excellent job as art editor; Sheila and Joyce for putting in so much time on the senior section; Carol for doing such a fine job as the first girl sports editor; Judy for her speedy and accurate typing; Trudy for her good work on the faculty pages; Geri for her work on one of the hardest jobs, classes; Joy and Sally for doing their jobs of selling annuals and ads and making the ad section so well; Boni and Lynn for running all the errands and being there when needed; Laurie and Pat for writing so much of the copy; the rest of the staff for their assistance; the Anthony Loya photographers, especially Danny, for their excellent work; Bob Alexander for the time he spent working on annual pictures; Bill Matthies for designing the cover; the staff, especially John Raspanti and Bill Hubbell of Yearbooks, Inc., Monrovia, our publisher, for their help, patience and advice; my teachers, especially Mrs. Clark, for their understanding and patience when I missed classes because of annual business; Mr. Buck and Miss Hanson for their assistance; and everyone else who helped to make the 1960 **El Camino Real** a successful annual.

Thanks again,
Mary Ann

You all the good luck you deserve. I hope sunshine will follow you. God Bless you.
Love,
Pat

Buzz,
 This last year has really been
 great and quite a lot of fun, too.
 Hope you have a barrel of fun this
 year and in all the ones to come
 cuz you're really a monkey. Lots of
 luck always and maybe I'll see you
 this summer. (that is if your
 work doesn't occupy all your time)
